**To whomsoever this may concern**

We have used Modpoxy SP primer, Modpoxy HB MIO (middle coat) and DL-PU (H) (ali) top coat manufactured by **M/s Dooall Corpro India Pvt. Ltd** for our BIAL (Bangalore International Airport Ltd) site, awarded to us by M/s Larsen and Toubro. Apart from the said site, we use M/s Dooall's products in all our sites.

We are completely satisfied with the quality, performance, consistency and pricing of the said coatings. We are delighted by their delivery schedules and technical support.

Thanking You,

For **Roofs & Ceilings (I) Pvt Ltd.**
