TO WHOMSOEVER IT MAY CONCERN

This is to certify that Dooall Corpro India Pvt. Ltd. was selected by Ion Exchange Waterleau Ltd. as a supplier of specialized Anticorrosive Coating amongst various pre-qualified companies. The coating supplied by Dooall Corpro., **Modpoxy ST** were approved by BEC REL Engineering Pvt. Ltd. (a JV of Bechtel UK and Reliance Engineering Associates Ltd., Mumbai) for the Effluent Treatment Plant project executed by us for Reliance Petroleum Ltd.'s Jamnagar Export Refinery (JERP) Project.

Dooall Corpro have supplied **Modpoxy ST**, a low VOC two component corrosion inhibitive surface tolerant epoxy coating, enhanced with nano ceramic. Modpoxy ST has been used successfully in place of Corrocoat Polyglass, a proprietary glassfilled epoxy coating, originally specified for internal linings of Pressure Vessels, viz. Activated Carbon Filter (ACF), Dual Media Filter (DMF) & Dissolved Air Flotation (DAF), in order to impart chemical resistance, abrasion resistance at the specified dry film thickness.

**Modpoxy ST Primer and Modpoxy Coating** of Dooall Corpro India Pvt. Ltd. were applied by us in the year 2008 at Reliance Industries Ltd., Jamnagar ETP, (JERP), after due approvals from the EIC and the technical consultant to the project – BEC – REL Engineering. Pvt. Ltd. The applied paint continues to be in very good condition and is expected to outlive its expected life span. We make this statement in cognition of the fact that there has not been any complaint or adverse remark on the performance of the coating.

We are pleased to confirm that the services offered by Dooall Corpro India Pvt. Ltd. were very professional in nature and in full compliance with our technical requirement/approvals for surface coating specifications.

We have no hesitation to recommend Dooall Corpro India Pvt. Ltd. for similar award of work in the International Market for Corrosion Protection of Pressure Vessels, Pipelines and Structures (both on External & Internal surfaces) complying to the Stringent Technical Specifications for Refinery & other Industrial Projects.
